M-Guard

Colours

Basic White NCS S 0500-N

Basic Black NCS S 9000-N

The colours shown on this Colour Guide represent **M-Guard Colour** applied at 100% opaqueness onto standard grey concrete, simulated by the coloured triangle top right of the samples. **M-Guard Colour** can also be mixed and applied in various levels of translucency down to 10%. Please ask for full details. Special colours available on request (depending on minimum quantities).
