## M-Guard Facade

### Handling & Storage

**Storage** Store in temperature between 5°C and 30°C  
 Avoid stacking containers on each other. Incompatible materials - none.  
 Recommended materials for packaging - plastic materials

### Personal Protection

**Respiratory** If spraying wear dust mask  
**Hand** Impermeable gloves recommended  
**Eye** Eye protection recommended  
**Skin** Wear suitable overalls and wash them with soap and water after handling  
**Hygiene** Do not eat drink or smoke when handling product

### Physical & Chemical Properties

<b>Appearance</b>	Liquid	<b>Final boiling point (rC)</b>	None
<b>Colour</b>	Colourless	<b>Density</b>	1.01
<b>Odour</b>	None	<b>Solubility in water</b>	Totally
<b>pH value</b>	4.2	<b>Flash point (°C)</b>	None applicable
<b>Boiling Point (°C)</b>	100		

### Stability & Reactivity

**Stability and Reactivity** Stable under normal conditions  
**Hazardous decomposition products** None under normal conditions

### Toxicological Information

The product classification was set up according to the directive 1999/45/CEE.  
 This product is not harmful to health or the environment.

### Ecological Information

**Ecological effects** This product is bio-degradable

**Disposal** Discard only small quantities of highly diluted product. Clean containers before throwing them away. This waste material is classified as industrial waste and can be handled by the local authority or its contractor. Empty containers should be collected by an approved contractor in accordance with relevant regulations.

### Transportation Information

**N°ONU / I.D.n°** Not classified  
**ADR/RID** Not classified  
**Labelling ADR** Not classified

### Regulatory Information

**Symbols** None  
**R Phrases** None  
**S Phrases** None

### Other Information

**Recommended uses and restrictions** None

**Disclaimer of Liability:** The information in this MSDS was obtained from sources which we believe are reliable. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal or the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This MSDS was prepared and is to be used only for this product. If the product is used as a component in another product, this MSDS information may not be applicable.
